Student Data

Personal data is held by the academy (and where applicable by the multi-academy trust, Cabot Learning Federation) about students. This includes, but is not limited to:

- Information passed on to us from a previous school or academy
- Information collected from parents/carers when a student starts at the academy

SEND information

Medical information, and

Information about the student's attendance and progress whilst at school.

The academy has some statutory duties to pass on some of this data to the Department for Education, Ofsted, the Local Authority, the local healthcare trust, examination boards and other educational providers used by the federation. The academy maintains a full list of all organisations it shares data with.

The academy uses CCTV surveillance and student images are stored for a temporary period in line with the Cabot Learning Federation's CCTV policy and the Records Retention policy which can be found on the website: <http://www.cabotlearningfederation.net>

There are some activities that are essential to the running of the academy that require the processing of student data. The academy will use student data in its own software packages and those used for specific functions, certain curriculum activities and / or homework. These include CPOMS, Office 365, Twinkl, PiXL and DoJo. The academy will be able to provide a list of such software providers on request.

For further information about how the academy stores, uses and shares data, please read the Privacy Notice on the Cabot Learning Federation website: <http://www.cabotlearningfederation.net>
