Dear Parents and Carers,

We are part of the National School Breakfast Programme which aims to:

- Ensure more children receive a healthy breakfast at the start of their day
- Improve educational outcomes of young people
- Share best practices across schools and encourage innovative approaches to school breakfast provision.

The funding for this is guaranteed until March 2020 and we are hopeful that more funding will be secured beyond this point.

We are now in a position to offer free bagels to a wider range of children from across all year groups at Summerhill Academy. From Monday 4 November any child who would like a bagel before their lessons begin, can enter the school playground from 8:30am and grab a bagel from the trolley outside of the white double doors. Children will eat their bagel on the playground before being collected by their teacher. In the event of heavy rain, the children can enter the building via the white double doors and bagels will be available from the bottom of the stairs.

Please note, any existing bagel arrangements (year 3 and year 6) will stop at the end of this term. Every pupil in the school will be entitled to a bagel, which will now be available from 8.30am as above.

If you wish to see more information on the National School Breakfast Programme please visit the Family Action website www.family-action.org.uk/what-we-do/children-families/breakfast

If you have any questions please do not hesitate to ask your child's class teacher.

Kind regards

Rebecca Curtis
Principal
