

Email comms sent via SCOPAY on 11/2/20

Dear Parent/Carer,

It has come to our attention that on occasion some parents/carers have attempted to contact the school via email using csummerhillacademy-bristol@scopay.com. This is the email address that you will see when we send you an email communication using our SCOPAY system.

This is not the school's email address and any communications to this email address will not reach us.

Please make sure you only use info@sa.cabot.ac.uk to send us emails. This email address is checked by the office staff and your email will be looked at within 48 hours during the working school week. Should your enquiry need to be actioned any sooner than 48 hours, please contact the school office on 0117 9030347.

Kind regards,

Summerhill Academy
