Dear Parent/Carer,

School Photographs – Wednesday 23 September 2020

Next Gen will be coming in to school on the above date to take photographs of the children in all year groups. In previous years we have been able to offer sibling photographs as well as individual photographs for those at the Academy during the school day. Due to current COVID-19 guidelines set out by the Government regarding year group bubbles, we are unfortunately not able to offer any sibling photographs this year if the siblings are in different year groups, including siblings from Summerhill Infants as well as Summerhill Academy. There will be no exceptions to this rule as we are unable to cross bubbles under any circumstance within the building.

Therefore, as sibling photographs will not be carried out this year during earlier time slots, all photographs will take place during school hours.

We take this opportunity to remind all parents and carers that if your child is displaying any of the symptoms associated with COVID-19, please do not send them in to school on this day (as with any day) and follow the procedure previously communicated to you regarding isolation and testing.

Should you have any questions please do not hesitate to contact the school office via info@sa.cabot.ac.uk.

Kind regards,

Rebecca Curtis
Principal
