Dear Parent/Carer,

Over the course of the school year we have engaged with an increased number of incidents relating to social media platforms, specifically TikTok and Whatsapp. Attached are the guidance posters from National Online Safety, please see their website for further guides: www.nationalonlinesafety.com. If you are concerned about any online activity or bullying regarding your child, you can also call 101 for advice.

Within school we will investigate all incidents that are brought to our attention by speaking with the children involved and communicating these investigations with parents and carers. As part of e-safety, we encourage children to be safe online and continue to promote the values and Gem Powers we use in day to day school life. We do not specifically discuss these two platforms due to their age restrictions of 13+ and 16+ respectively.

Thank you for your continued support.

Kind regards,

Rachel Scammell
Vice Principal
