Dear Parent/Carers,

We are writing to notify all of our year 6 parent/carers that we have recently been made aware of a WhatsApp group which focused on unkindness towards a pupil. Some of our pupils were invited to join this group. None of these pupils engaged in the group chat, they just accepted the invitation to join the group.

We feel that this is an important learning opportunity to remind all of our children about mobile phone use, appropriate behaviour and online safety. On Thursday, Parent zone delivered an Internet Legends safety assembly to the whole school. We will also be inviting a Special Community Police Officer to come into our year 6 classes to discuss safer phone and internet use.

We would like to encourage trusted adults at home to have similar conversations with their children and hope the link below will support this.

Yours sincerely
