

# Minutes from SAF Meeting 17/06/2016

Present:

Davina Benton

Helen Brownell

Nic Hope

Susan Foster

## Update on events

### *Summer Fayre*

Due to lack of attendance at this meeting and therefore practical support and manpower from parents for SAF at present it was decided that as SAF we wouldn't be able to run a Summer Fayre at school this summer. Nic to let Mr Munro know.

### *Picnic*

Nic reported that the meeting with Mrs Tiley had gone well and that she was very keen for the year 2 children at the infant school to come along to the picnic. The parents of year 2 have been informed that it will be happening and closer to the date and after more discussion with Nic, Mrs Tiley will ask parents to bring food contributions.

Nic to talk with Mr Munro and Mrs Tiley to see how best to use the time allowed for the picnic, and to find out how many year 6 children would be in school and how they could be involved.

### *Discos*

Helen reported that the pupil council and year 6 have asked if they can do the publicity for the discos and it was agreed that that would be a good idea. Helen will reconfirm dates with Pam taking into consideration that the summer fair will probably not be running, with a potential date change to be for 19/07

instead. Helen will also talk to and book DJs after this conversation has happened.

### AOB

We discussed strategies for recruiting more people onto the core team of SAF.

Ideas included:

- finding class reps for each class
- talking with the very active parents of current year 2 children as soon as possible and speaking at the introductory evening that will be held for these parents
- generally chatting lots about SAF to parents in the playground to try and change peoples' perception of us as we are starting from the ground up where there has been nothing and where some people don't have a fantastic view of the school which therefore affects their wanting to be involved.

### Date of the Next Meeting

To be confirmed, but as an ad-hoc one in a few weeks' time, nearer to the picnic.
